Registering an activation code for a free trial of SaaS Backup for Salesforce

To get started with SaaS Backup for Salesforce, you must get an activation code and then sign up. You may have received an activation code from your sales representative or channel partner. If not, you can get an activation code by signing up for the free trial.

Steps

1. Click [here](#) to go to the SaaS Backup for Salesforce free-trial URL.
2. Enter the requested registration information and click **Submit**.

After you submit the form, you will receive an email containing your free-trial activation code. You will need the activation code when you sign up for SaaS Backup with Salesforce.
